water-weed (*-wed*) **n.** 1 any of various water plants having inconspicuous flowers, as pondweed 2 a North American elodea (*Eloides canadensis*) with white flowers: used in aquariums

water wheel 1 a wheel turned by water running against or falling into its blades, as a source of power 2 a vessel with buckets on its rim, used for lifting water

water wings a device, usually a pair of inflated arm bands, used by children to keep one afloat as while learning to swim: it is shaped somewhat like a pair of arms and is worn under the arms

water witch *#1* a person who professes to have the power to find underground water with a diving rod, *dowser* *#2* any of various diving birds, as certain grebes

water-works (*wāk̄s*) **n.** 1 often *water wing* *n.* 2 a system of reservoirs, pumps, pipes, etc., used to bring a water supply to a town or city 3 a pumping station in such a system, with its machinery, filters, etc. 2 (*slang* tears: usually in turn on the water) *tearful*, *tearful*; *weep*

water-worm (*-wōrm*) **adj.** worn, smoothed, or polished by the action of running water

water-terry (*-tērē*) **adj.** 1 of or like water 2 containing or full of water; moist 3 thin, diluted (*water* *gravy*) 4 weak; insipid 5 soft or soggy 8 faint; dim

WATS (*wāts*) *n.* *Indic* (*aeros*) (*telecommunications*) service a telephone service that ties a customer into the long-distance network through special lines so that calls can be made to and received from a defined area or areas at a special rate

Watson (*wātsən, wōtən*) *1* James Dewey 1898-: U.S. biochemist; helped determine the structure of DNA 2 John (Broadus) 1873-1965: U.S. psychologist

Watson-Watt (*wāt̄sən wāt̄*), Sir Robert Alexander 1892-1973; Scott. physicist

Wat (*wāt*) *n.* *latter fol.*: name proposed (1852) by Sir William Siemens for the electric, chemical, or thermal energy in the SI and MKS systems: equal to one joule per second (10¹⁰ ergs per second [*of a horsepower*]): for electric power it is equal to one volt-ampere: abbrev. W

Wat-tau (*wāt̄, wāt̄*), Jean An-toine (*an twān*) Fr. painter

Watt-hour (*wāt̄'our*) **n.** a unit of electrical energy or work, equal to one watt acting for one hour, or 3,600 joules

Wat-teau (*wāt̄'ō*) *n.* DME *wat̄ē* (*< OE wæt̄al*, a hurdle, woven reige?) *1* *Fr* painter of scenes of courtly life: *genre* 2 a sort of woven work made of sticks interwoven with twigs or branches used for walls, fences, and roofs 2 (*Brit. Dial.*) a stick, rod, twig, or wand 3 a hurdle or framework made of sticks, rods, etc. 3 [pl.] rods, sticks, or the like used for a thicket 4 [*America*] any of various *Acacia* species: the fiber from these was much used by early settlers for making wattles 5 a flaxly, wrinkled, often brightly colored piece of skin which hangs from the chin or throat of certain birds, as the turkey, or of some lizards 6 a barrel of a fish 7 [*often*] a barrel or puncheon holding fruit juice, wine, beer, etc. 8 [*part* of the jargon] *mod*, or of rods, with wattle or wattles, etc. —*vt.* *-ted*, *-ting* 1 to twist or intertwine (sticks, twigs, branches, etc.) so as to form an interwoven structure or fabric 2 to construct (a fence) by intertwining sticks or twigs 3 to build of, or mod. from, sticks, twigs, etc.

Wat-tie-bird (*-bōrd*) **n.** any of a number of large honeyeaters (*genus Anthochaera*) of Australia and Tasmania, characterized by wattles that hang from the corners of the mouth

Wat-tied (*wāt̄'id*) **adj.** 1 built with wattles 2 having wattles, as a

watt-meter (*wāt̄'mēt̄r*) **n.** an instrument for measuring in watts the power in an electric circuit

Watts (*wāts*) Isaac 1674-1748: Eng. clergyman & writer of hymns

Wa-tusi (*wa tōō'sē*) **n.**, *pl.* *-sis* or *-sis* *4* a member of a people of Burundi and Rwanda; also *Wa-tut̄si* (*-tōō'sē*)

Waugh (*wō*), Ely-lyn (Arthur St. John) 1891-1966: Eng. novelist

Wa-ke-gan (*wa kē'gān*) Iroq. *< Ojibwa waakaa'igan*, fort *city* in NE Ill., on Lake Michigan: pop. 69,000

Wa-kesha (*wā kēshā*) *i-* Algonquian *dial.*, *7*, fox *city* in SE Wis., near Milwaukee: pop. 57,000

waul (*wōl*) *n.*, *See* CATERWAIL

wave (*wāv*) *vt.* *waved*, *waving* IME *wave* *<* OE *wefan*, akin to *wifan* to move, shake, stir

wave (*wāv*) *n.* 1 a motion of the air, water, etc., from side to side, back and forth in a curving or undulating motion; swing, sway, or flutter to and fro; said of flexible things free at one end [flags waving in the wind, a 2 ft. string moving by a moving hand, arm, light, etc. to and fro] 3 to have the form of waves: *the waves over a field of grain* —*v.* 1 to cause to wave, undulate, or sway 2 to swing or brandish (a weapon) 3 to move (the hand, arms, etc.) to and fro by doing a *wave* *4* to move (the head, neck, etc.) from side to side, as when one is about to sneeze 5 to signal or signify something by *waving* the hand, etc. *5* to move (the head, neck, etc.) from side to side, as when one is about to sneeze 6 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 7 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 8 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 9 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 10 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 11 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 12 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 13 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 14 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 15 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 16 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 17 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 18 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 19 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 20 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 21 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 22 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 23 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 24 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 25 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 26 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 27 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 28 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 29 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 30 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 31 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 32 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 33 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 34 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 35 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 36 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 37 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 38 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 39 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 40 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 41 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 42 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 43 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 44 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 45 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 46 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 47 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 48 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 49 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 50 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 51 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 52 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 53 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 54 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 55 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 56 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 57 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 58 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 59 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 60 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 61 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 62 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 63 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 64 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 65 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 66 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 67 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 68 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 69 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 70 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 71 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 72 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 73 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 74 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 75 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 76 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 77 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 78 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 79 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 80 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 81 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 82 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 83 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 84 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 85 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 86 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 87 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 88 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 89 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 90 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 91 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 92 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 93 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 94 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 95 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 96 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 97 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 98 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 99 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 100 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 101 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 102 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 103 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 104 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 105 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 106 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 107 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 108 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 109 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 110 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 111 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 112 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 113 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 114 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 115 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 116 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 117 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 118 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 119 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 120 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 121 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 122 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 123 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 124 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 125 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 126 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 127 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 128 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 129 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 130 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 131 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 132 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 133 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 134 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 135 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 136 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 137 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 138 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 139 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 140 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 141 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 142 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 143 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 144 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 145 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 146 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 147 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 148 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 149 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 150 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 151 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 152 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 153 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 154 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 155 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 156 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 157 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 158 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 159 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 160 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 161 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 162 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 163 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 164 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 165 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 166 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 167 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 168 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 169 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 170 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 171 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 172 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 173 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 174 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 175 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 176 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 177 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 178 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 179 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 180 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 181 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 182 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 183 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 184 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 185 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 186 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 187 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 188 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 189 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 190 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 191 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 192 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 193 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 194 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 195 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 196 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 197 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 198 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 199 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 200 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 201 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 202 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 203 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 204 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 205 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 206 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 207 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 208 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 209 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 210 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 211 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 212 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 213 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 214 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 215 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 216 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 217 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 218 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 219 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 220 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 221 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 222 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 223 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 224 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 225 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 226 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 227 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 228 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 229 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 230 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 231 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 232 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 233 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 234 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 235 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 236 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 237 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 238 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 239 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 240 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 241 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 242 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 243 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 244 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 245 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 246 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 247 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 248 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 249 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 250 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 251 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 252 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 253 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 254 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 255 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 256 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 257 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 258 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 259 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 260 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 261 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 262 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 263 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 264 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 265 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 266 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 267 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 268 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 269 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 270 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 271 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 272 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 273 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 274 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 275 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 276 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 277 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 278 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 279 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 280 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 281 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 282 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 283 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 284 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 285 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 286 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 287 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 288 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 289 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 290 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 291 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 292 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 293 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 294 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 295 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 296 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 297 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 298 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 299 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 300 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 301 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 302 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 303 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 304 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 305 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 306 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 307 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 308 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 309 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 310 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 311 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 312 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 313 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 314 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 315 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 316 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 317 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 318 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 319 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 320 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 321 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 322 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 323 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 324 to move (the head, neck, etc.) from side to side, as when one is about to sneeze 325 to move (the head, neck, etc.) from side to side, as when
